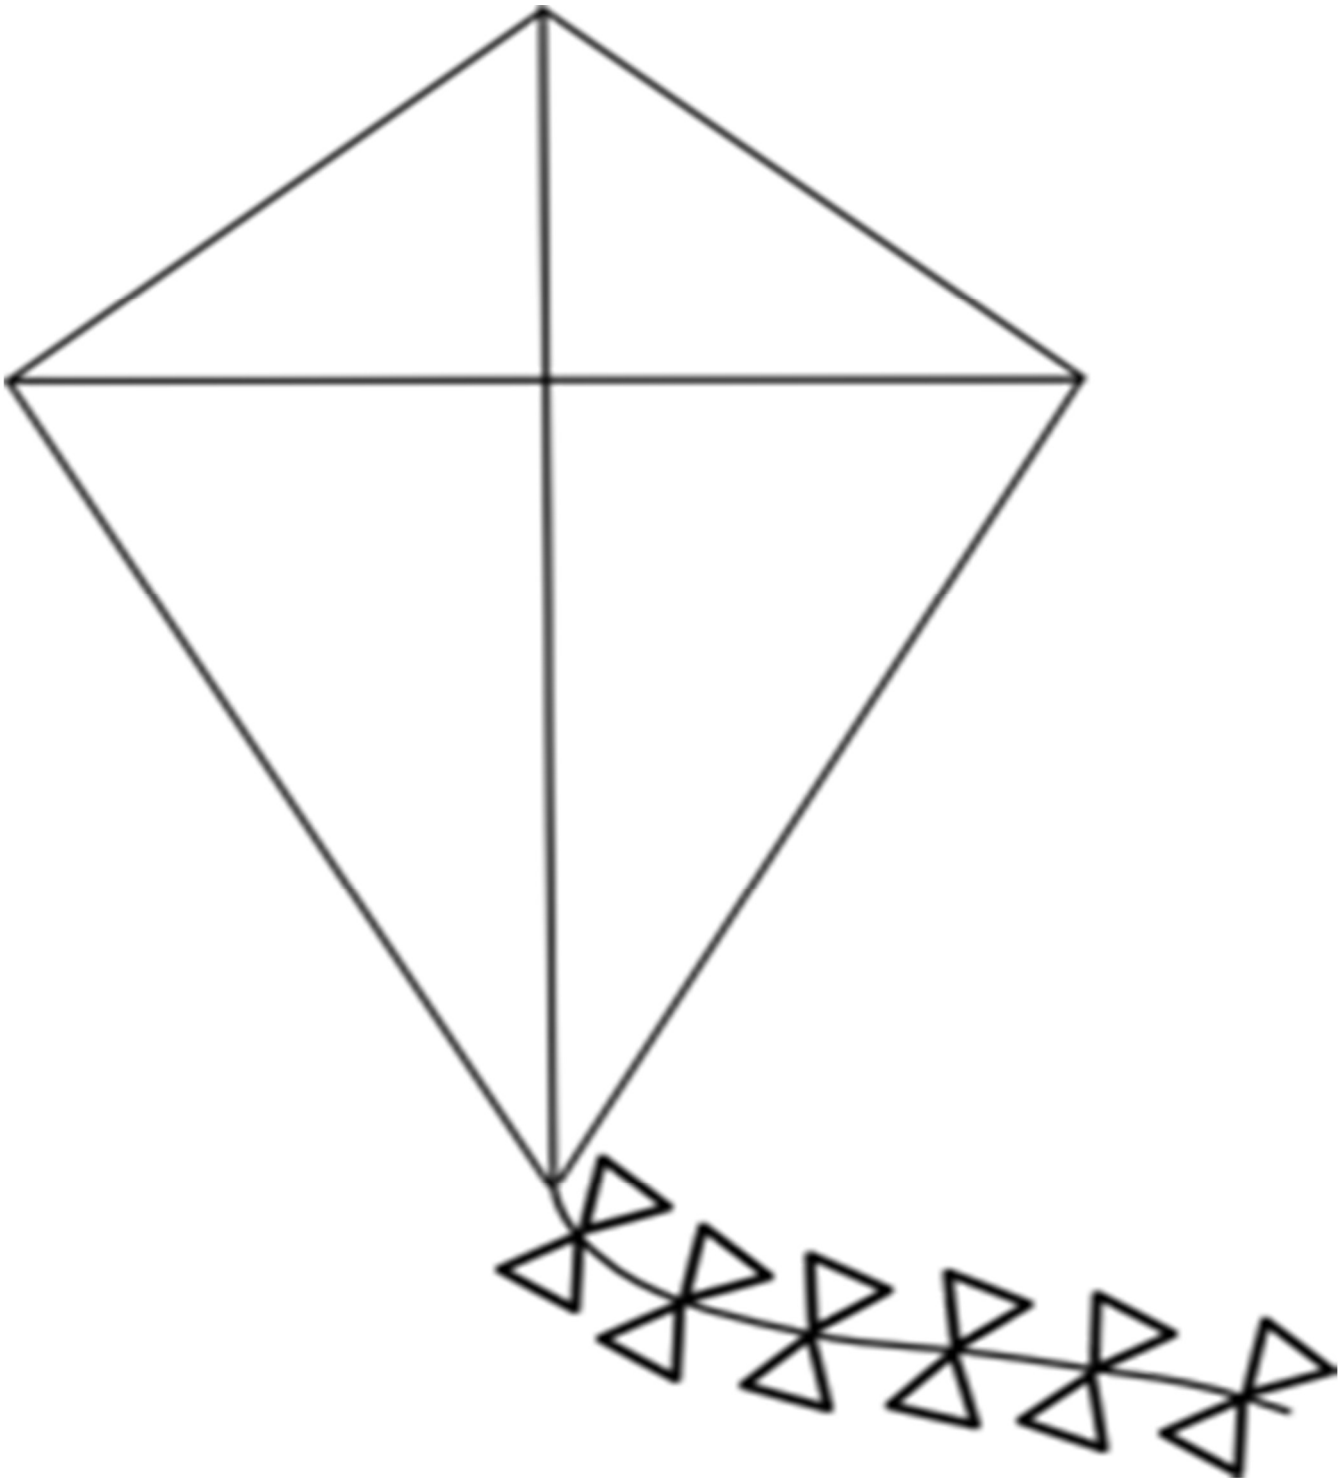
Show your SLES students your love and send them a Kite Gram!



Decorate & cut out this kite any way you like – or have your child decorate it. Add some color, add a ribbon, write a message – be creative! Be sure to put your child's name on the front & his/her grade on the back so you can find it hanging up in the school at Spring Fling!

Send in your decorated Kite Gram with your child by March 14th with $1 (cash or check made out to "Stratford Landing PTA") clipped to it.

Want to send a Kite Gram to more than one SLES student? Feel free to make copies of this kite in any color, decorate it, and send in $1 with each Kite Gram.
